Subject to the terms and conditions herein, Backbase grants to Licensee a royalty free, limited, non-exclusive, non-transferable, personal right and license: (a) to install and/or use the Software as permitted herein; (b) to copy the Software solely as necessary for backup or archival purposes; and (c) reproduce any documentation accompanying the Software in connection with Licensee's authorized use of the Software. Notwithstanding the foregoing, if Licensee is: (i) an Organization, the licensee may install and use the Software on an unlimited number of local developer Workstations and may install and use the Software on a maximum of one (1) Shared Server with a maximum of two (2) CPUs; or (ii) an Educational Institution, Licensee may install and use the Software on an unlimited number of CPUs, provided such use is solely for educational or training purposes and not for Licensee's internal business or any commercial use. Except for the express license granted in this Section 2.1, no other licenses are granted by implication, estoppel or otherwise. Any other use requires that you acquire a commercial version of the Backbase software under the terms of the commercial Backbase End-User License Agreement. Please contact a Backbase representative for further assistance.

2.2 Restrictions. Licensee will not and will not permit third parties to: (a) modify, adapt, translate, copy, create derivative works from, disassemble, decode, reverse engineer, decompile or otherwise attempt to gain access to the source code, structure or proprietary algorithms of the Software, except as permitted by the inherent capabilities of the Software; (b) lease, loan, rent, resell, sublicense or distribute the Software to any third party, or use the Software for the benefit of any third party or otherwise use the Software on a service bureau basis; or (c) modify or delete any copyright or proprietary notices or legends on or in the Software or any documentation accompanying the Software. Licensee hereby waives any right it may have under any jurisdiction to reverse engineer the Software provided, however, if European Community law is applicable, the restrictions in this Section are limited so that they prohibit such activity only to the maximum extent such activity may be prohibited without violating the EC Directive on the Legal Protection of Computer Programs. Notwithstanding the foregoing, prior to any such legally excused decompiling, disassembly or reverse engineering of the Software, Licensee must first issue a written request to Backbase for information or assistance and Licensee shall refrain from decompiling, disassembling, or otherwise reverse engineering any of the Software unless Backbase cannot, or fails, to comply with such request within a commercially reasonable period of time.

2.3 U.S. Government End Users. The Software and any accompanying documentation qualify as "commercial items," as that term is defined at 48 C.F.R. 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212. Consistent with 48 C.F.R.12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4, Licensee will provide to Government End Users the Software and software documentation with only those rights set forth herein that apply to non-governmental customers. Use of this Software and software documentation constitutes agreement by the government entity that the computer software and computer software documentation is commercial, and constitutes acceptance of the rights and restrictions herein.

3.0 Title. Backbase or its licensors own and retain all right, title and interest in all documentation and Software, and any and all versions, releases, corrections, bug fixes, enhancements, derivative works, updates or other modifications thereto, including but not limited to all patents, trademarks, copyrights, trade secrets and other intellectual property rights therein ("Backbase Property"). Licensee shall keep the Software and all documentation free and clear of all claims, liens and encumbrances. Licensee agrees not to, directly or indirectly, challenge the right, title and interest of Backbase or its licensors in and to the Backbase Property, or to register, apply for registration or attempt to acquire any legal protection for any of the Backbase Property. The Backbase Property shall under no circumstances be deemed to be "joint works of authorship," "works made for hire," or any other designation tending to imply that Licensee has or retains ownership or authorship rights thereto. To the extent that any such rights vest with Licensee by operation of law or for any other reason, Licensee hereby

perpetually and irrevocably assigns all such rights to Backbase. At Backbase's request and expense, Licensee shall execute all documents and perform all acts that Backbase may reasonably require in order to protect and perfect Backbase's rights in the Backbase Property.

4.0 Warranty Disclaimer. The Software is provided at no charge on an "AS IS", "WHERE IS" basis, without warranty of any kind, including without limitation any warranties that the Software is free of defects, merchantable, fit for a particular purpose or non-infringing. The entire risk as to the quality and performance of the Software is borne by Licensee. Should the Software prove defective in any respect, Licensee and not Backbase or its suppliers assume the entire cost of any service and repair. This disclaimer of warranty constitutes an essential part of this Agreement. No use of the Software is authorized hereunder except under this disclaimer. BACKBASE EXPRESSLY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS, STATUTORY OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NONINFRINGEMENT OF THIRD PARTIES' RIGHTS.

5.0 Limitation of Liability. IN NO EVENT SHALL BACKBASE BE LIABLE FOR INDIRECT, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR INCIDENTAL DAMAGES OF ANY KIND INCLUDING WITHOUT LIMITATION DAMAGES FOR LOST PROFITS, LOSS OF GOODWILL, WORK STOPPAGE, LOSS OF USE, LOSS OF DATA, COMPUTER FAILURE OR MALFUNCTION, HOWEVER CAUSED, AND WHETHER ARISING UNDER CONTRACT, TORT (INCLUDING NEGLIGENCE) OR ANY OTHER THEORY OF LIABILITY, EVEN IF BACKBASE HAS BEEN APPRISED OF THE LIKELIHOOD OF SUCH DAMAGES. IN NO EVENT SHALL BACKBASE'S CUMULATIVE AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT OR LICENSEE'S USE OF THE SOFTWARE EXCEED FIFTY U.S. DOLLARS (USD\$50.00). THE PARTIES ACKNOWLEDGE AND AGREE THAT THE CONSIDERATION EXCHANGED HEREUNDER IS BASED IN PART UPON THE ABOVE LIMITATIONS, AND FURTHER AGREE THAT SUCH LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

6.0 Indemnification. Licensee shall defend, indemnify and hold harmless Backbase and its officers, directors, employees and shareholders from and against any and all loss, damage, settlement, costs or expense (including legal expenses and expenses of other professionals), as incurred, resulting from, or arising out of: (a) any third party claim which alleges that any work performed or produced as a result of use of the Software infringes upon, misappropriates or violates any intellectual property rights where such claim is completely independent of the Software; (b) Licensee's use of the Software; and (c) breach by Licensee of Section 2.0.

7.0 Maintenance. Backbase is under no obligation to, and does not, provide any maintenance or support under the terms of this Agreement. Any maintenance or support provided shall be at the sole discretion of Backbase and if provided shall be subject to all of the terms and conditions herein. If Licensee desires to receive maintenance and/or support for the Software, please contact Backbase for a commercial license.

8.0 Termination. This Agreement and the license granted hereunder will terminate automatically if Licensee fails to comply with any of the terms set forth herein. In addition, Backbase may terminate this Agreement: (a) at any time upon written notice in the event Licensee makes a general assignment for the benefit of its creditors, suffers or permits the appointment of a receiver for its business or assets, becomes subject to or initiates a proceeding under any bankruptcy or insolvency law or has wound up or liquidated its business; or (b) in the event that Licensee is acquired by, acquires, merges with, or sells substantially all of its business or assets to an entity whose business includes the development, marketing or distribution of a product or products that compete with the core functions of the Backbase software or (c) if Licensee is an Organization that is involved in the development, marketing or distribution of a product or products that compete with the core functions of the Backbase software. Upon termination of this Agreement, Licensee agrees to immediately discontinue any use of the Software, all documentation, and derivative works or copies thereof. Licensee agrees to supply Backbase with an affidavit verifying that this provision has been complied with, and immediately return the Software and all documentation and copies thereof to Backbase.

9.0 Miscellaneous. (a) Force Majeure. Neither party will incur any liability to the other party on account of any loss or damage resulting from any delay or failure to perform all or any part of this Agreement if such delay or failure is caused, in whole or in part, by events, occurrences, or causes beyond the control and without negligence of the parties. Such events, occurrences, or causes will include, without limitation, acts of God, strikes, lockouts, riots, acts of war, earthquakes, fire and explosions, but the inability to meet financial obligations is expressly excluded. (b) Waiver. Any waiver of the provisions of this Agreement or any agreement related to this Agreement or of a party's rights or remedies under this Agreement or an agreement related to this Agreement must be in writing to be effective. Failure, neglect, or delay by a party to enforce the provisions of this Agreement or agreement related to this Agreement, or its rights or remedies at any time will not be construed nor deemed to be a waiver of such party's rights under this Agreement or any agreement related to this Agreement and will not in any way affect the validity of the whole or any part of this Agreement or any agreement related to this Agreement or prejudice such party's right to take subsequent action. (c) Neither this Agreement nor any rights under this Agreement may be assigned or otherwise transferred by Licensee, in whole or in part, whether voluntary or by operation of law, including by way of sale of assets, merger or consolidation, without the prior written consent of Backbase. Subject to the foregoing, this Agreement will be binding upon and will inure to the benefit of the parties and their respective successors and assigns. (d) Applicable Law and Jurisdiction. This agreement will be governed by and interpreted in accordance with: (i) if Licensee is a resident of, or a legal entity in North or South America, the laws of the State of California, without giving effect to principles of conflict of laws, and Licensee hereby consents to the exclusive jurisdiction and venue of the state courts sitting in San Francisco County, California or the federal courts in the Northern District of California to resolve any disputes arising under this Agreement; or (ii) if Licensee is a resident or legal entity anywhere else in the world, the laws of the Netherlands, and any dispute arising out of, or in connection with, this Agreement that is not amicably resolved between the parties will be submitted to the District Court of Amsterdam. In each case this Agreement shall be construed and enforced without regard to the United Nations Convention on the International Sale of Goods. (e) Severability. If any term, condition, or provision in this Agreement or Agreement is found to be invalid, unlawful or unenforceable to any extent, the parties will endeavor in good faith to agree to such amendments that will preserve, as far as possible, the intentions expressed in this Agreement. If the parties fail to agree on such an amendment, such invalid term, condition or provision will be severed from the remaining terms, conditions and provisions, which will continue to be valid and enforceable to the fullest extent permitted by law. (f) Independent Parties. The parties will at all times be independent parties and will present themselves to all other parties as such. Regardless of the naming conventions used in this Agreement and the agreements related to this Agreement (i.e. "Licensee" and the like), unless otherwise expressly stated in the Agreement, nothing in this Agreement will be construed to make either party, and each party agrees that it is not an agent, employee, franchisee, joint venture or legal representative of the other party. Each party hereto is an independent contractor. In particular parties did not enter into an agreement regarding the Dutch legal entities such: "maatschap", "vennootschap onder firma" or "agentuur". Except as otherwise provided in this Agreement, neither party will either have or represent itself to have any authority to bind the other party or act on its behalf. (g) Export. Licensee hereby acknowledges that the Software supplied by Backbase under the Agreement is subject to export or import controls under the laws and regulations of the United States (U.S.). Licensee shall comply with such laws and regulations, and agrees not to knowingly export, re-export, import or re-import or transfer Software without first obtaining all required U.S. Government authorizations or licenses. Backbase and Licensee each agree to provide the other such information and assistance as may be reasonably required by the other in connection with securing such authorizations or licenses, and to take timely action to obtain all required support documents. (h) Equitable Relief. Licensee acknowledges that a breach by Licensee of Section 2 will cause Backbase irreparable damage, for which the award of damages would not be adequate compensation and that Backbase is therefore entitled to obtain prompt injunctive relief to enjoin the Licensee from any and all acts in violation of those provisions without the necessity of posting a bond or other security. Such injunctive relief remedy shall be cumulative and not exclusive and Backbase is entitled to seek any other relief available at law or in equity. (i) High Risk Activities. The Software is not fault-tolerant and is not designed, manufactured or intended for use or resale as on-line control equipment in

hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of the Software could lead directly to death, personal injury, or severe physical or environmental damage ("High Risk Activities"). Accordingly, Backbase and its suppliers specifically disclaim any express or implied warranty of fitness for High Risk Activities. (j) Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof, and supersedes and replaces all prior and contemporaneous oral or written communications between the parties relating in any way to the subject matter hereof. This Agreement is intended by the parties to be a complete and wholly integrated expression of their understanding and agreement. No terms or conditions of any purchase order, acknowledgement or other business form that Licensee may use in connection with the acquisition or licensing of the Software and related services will have any effect on the rights, duties or obligations of the parties under, or otherwise modify, this Agreement, regardless of any failure of Backbase to object to such terms, provisions or conditions. This Agreement may only be modified by a written document executed by the parties hereto. There are no conditions, understandings, agreements, representations, or warranties expressed or implied, that are not specified herein. Should Licensee have any questions concerning this Agreement, please contact Backbase at "license-info@backbase.com".
